

# Announcing the New Head of School

## Steve Marshall

From Bob Turbeville, Chairman, Heritage School Board of Trustees

It is my great pleasure to announce that **Steve Marshall, currently Head of Upper School at Covenant School of Dallas, has accepted our offer to be Head of School for Heritage.** The search provided us with some outstanding applicants, and the decision making process was extremely thorough. The decision was unanimous from the Advisory Committee, to the Search Committee, and ultimately from the Board of Trustees that Steve was the right person for our school.

Joining the Heritage family along with Steve are, Sherrie, his wife of 20 years, and their 4 children: Haley -a junior, Molly -a freshman, Stephen - a fourth grader, and Michelle – a third grader. On their visit to Heritage in May, all expressed their delight with Heritage School, the wonderful faculty, the welcoming students, and the opportunity to be a part of the Heritage family.

Steve will begin his tenure here July 1, 2010, and is already planning to hit the ground running. With Steve's experience as an administrator in private- school education, his complete commitment to classical curriculum and life-long learning, and his personal passion for Christ, Steve will bring the knowledge, excitement, and motivation to the job which were key elements of the search. Steve is especially grateful for the grace with which Nancy Hierholzer is assisting, and will continue to assist him through this time of transition.

Join me in welcoming Steve and his family to Heritage School. Please pray for Steve and the entire Marshall family as they make the transition from Dallas to Fredericksburg, specifically as they look for a home here. As we all felt in the beginning, God's hand has most assuredly been over this entire process.

Special thanks go to the Search Committee and the Advisory Committee for their diligence throughout the search. Most importantly, we are all extremely grateful to Nancy for her kind and joyful spirit during this process and her devotion to Heritage School. We give her our full support as she assumes her new role as Academic Dean.

Now it is up to all of us to continue to listen to God as He prepares Steve to lead Heritage forward into a new and exciting future. It is my request that you will all work to help make the transition as smooth and transparent as possible.

Have a great summer with your families and come back in the fall ready to see what God has in store.

Bob Turbeville  
Chairman, Board of Trustee
